

FHC AND VINE TO HOST ALZHEIMER'S: EVERY MINUTE COUNTS DISCUSSION

Dear Partner,

VINE Faith in Action and Freedom Home Care are partnering to offer a viewing and discussion of the PBS documentary, Alzheimer's: Every Minute Counts from 2 to 3:30 p.m. on Friday, August 4th at the VINE Adult Community Center (VACC) at 421 East Hickory Street in Mankato.

Following the documentary, Mary O'Sullivan, VACC/VINE Education Coordinator, and Christine Nessler, Freedom Home Care Business Relations, will lead a discussion focusing on Alzheimer's disease and its impact on our community and country.

Alzheimer's: Every Minute Counts is an urgent wake-up call about the national threat posed by Alzheimer's disease. Many know the unique tragedy of this disease, but few know that Alzheimer's is one of the most critical public health crises facing America. This powerful documentary, which premiered in 2017, illuminates the social and economic consequences for the country unless a medical breakthrough is discovered for this currently incurable disease.

The event is free to VACC members and \$5 for non-members. Call the VACC at 507.386.5586 by August 3rd to register.

FHC is walking to End Alzheimer's on September 9th

Through our work with our clients and their families and our work in the community on the ACT on Alzheimer's Committee of Mankato and North Mankato we have met many people affected by Alzheimer's Disease and other dementias. Freedom Home Care is walking because we want to support these people and help raise awareness and funds for Alzheimer's research, care and support.

We need your help! Please make a donation to help the Alzheimer's Association to advance research into methods of treatment, prevention and, ultimately, a cure for Alzheimer's. For the millions already affected by the disease, the Association offers care, education, support and resources in communities nationwide. Or join our team "Freedom Home Care!"

Thank you for joining the movement! The end of Alzheimer's disease starts with you.
