

MORE CARE.
More peace of mind.

Introducing the Freedom Home Care Team

With the addition of Case Management to our service line our team has grown. We are now able to offer the ideal solution for aging adults who want to maintain their independence and dignity. Our traditional home care services make their lives easier by performing many tasks which have become difficult or tiring and our case management services offers an advocate to provide the best possible care and continuity for our clients through their many life changes.
