

## Freedom Home Care offers new website with focus on clients, family and professionals.

Marking their fourth year in business Freedom Home Care has launched a new website with a focus on catering to clients, families and professionals interested in home care and case management services.

The website, created by PresenceMaker in Mankato, Minnesota, can be found at

[www.freedomhomecarellc.com](http://www.freedomhomecarellc.com).

The website features information specific to each of the audiences' needs.

### **Clients:**

information including [fall prevention](#), [in-home assessments](#) and [providers they can trust](#)

### **Families:**

resources such as the [Family Learning Center](#) and the [Family Room Portal](#)

### **Professionals:**

resources including an [online intake form](#) to make [referrals](#) for home care and case management more timely and efficient

The website also contains details on Freedom Home Care's service lines including [home care](#), [live-in care](#), [case management](#), [health care services](#) and other various Freedom Home Care specialized [programs](#).
