

MORE CARE.
More peace of mind.

Top five blessings of five years

This month marks five years of Freedom Home Care providing services in Southern Minnesota. The anniversary has us feeling a bit nostalgic, but also so very blessed.

Here are the top five reasons we feel grateful as we celebrate this special accomplishment.

5. Educating and supporting our community on issues that affect aging adults.
 4. Incredible community partnerships in caring for aging adults.
 3. Giving families peace of mind.
 2. A team of compassionate and dedicated staff and caregivers.
- Drum roll...The number one reason we feel grateful for these past five years:*
1. Helping people live their best lives.

Thank you to our clients, our team, our client families, our partners in caring for aging adults and our community for allowing us to provide home care and case management services to our friends, family and neighbors in Southern Minnesota for these last five years. We hope to serve you all for many more.
