

## Our service area has grown

Freedom Home Care has been serving the Mankato area for more than six years with our [Home Care](#), [Health Care](#) and [Case Management](#) services.

We are excited to announce that we will now be expanding our service area in Southern Minnesota by adding the Owatonna and Faribault areas.

Please let us know if you have any questions about how we can help your patients or residents, including making safe transitions home from the hospital or skilled nursing facility after an illness, an injury or for end of life. We would be happy to speak with you about how we make sure each client gets just what they need to be successful and comfortable in their home environment.

Thank you and have a good day!
